How to use

How to use

As shown in the illustration, remove the inner frame by pulling the metal fittings with your fingers in the direction of the arrow.

When attaching the fabric, pull the metal fittings in the direction of the arrow and insert them.

*Do not apply force in the opposite direction of the arrow.

Remove the inner frame while pulling the metal fittings with your fingers in the direction of the arrow as shown in the figure.
When attaching the cloth, do the same while pulling the metal fittings in the direction of the arrow.

Do not apply force in the opposite direction of the arrow.
